Questions:

- Taxes – Fort Meade does not charge the 10% amusement tax on green fees and 11% on cart fees.
- Fort Meade is selling passes prorated through September 30th. What would Compass Pointe and Eisenhower be willing to do if the Fort closes early? Would CP or Ike allow FM members to finish their members at either club and have the FM pay a prorated amount to us?
- How to handle directing outside events played at Fort Meade? They have two basic packages.
 - \$50 (\$5 prize fund, golf, carts, minimal lunch)
 - \$75 (\$15 prize fund, golf, carts, breakfast and lunch)

Notes:

- Commented that the supervisors would like a lower rate tier for the E1 - E5 guests.
- Potential for 3-5 Fort Meade in house run events moved to one of our clubs per year.
- E1-E5 is going to be a very small number of golfers.
- The fort would be willing to issue a card to identify guests eligible for either the E1 -E5 or the “all other” benefits.
