### **FIT CLUB**

FIT CLUB is a golf fitness program where golfers walk and play holes #1-6 on the Royal Course any time after 4pm. There is a monthly fee of \$99 and players check in daily in the golf shop and then walk the course (playing) from 4pm to close. Program has quickly grown to 75 players a month, with an average of 24 players a day out walking.

### **GOLF MY WAY**

We are finding different ways for guests to be able to play golf. Time is the biggest factor in deciding to play or not to play golf while on vacation and therefore we have created a program allowing guests to play 18 holes of golf over 7 days. Trying to change the paradigm of 'having' to play 18 or even 9 holes at a time.

### **KEIKI/KIDS STUFF**

In 2006, we added a KEIKI (kids) tee to the Ka'anapali Kai Course that is offered all year round. This program allows for juniors (age 7-17) to play their own par and yardage with their own set of tees especially. Our juniors play free program (June – August 31) all day on the Kai Course and after 3pm on the Royal Course is always a bit hit with families (times vary, call shop for details). Promotes fun, healthy activities for families at a great rate!

### **FOOTGOLF**

Soccer meets golf! Players "tee" off after 4:00pm on the Kai Course with a soccer ball and play a FootGolf loop with their own par on 9-holes (unlimited play) for just \$15/player. Carts and balls available for rent separately. This is a great family or team building experience!

### **COURSE DESCRIPTIONS:**

**Royal Ka'anapali Course:** Celebrating 55 years in 2017, this classic Trent Jones Senior design combines wide fairways with large undulating greens. With over 50 years of tournament history, including the Ka'anapali Champions Skins Game, the Royal Course has tested the skills of some of golf's greatest legends like Arnold Palmer, Jack Nicklaus and Amy Alcott. Now it's your turn.

**Ka'anapali Kai Course:** With some of the best greens on Maui, this layout will test your course management skills. Newly renovated, the Kai Course places a premium on accuracy off the tee and a deft touch around the greens. The Ka'anapali Kai Course has beautiful views of the Pacific and neighboring islands and is home of the Golf Channel's #1 series, *Big Break Ka'anapali*.
