# FIVE·IRON·GRILLE

AT DAUPHIN HIGHLANDS GOLF COURSE

## FIVE·IRON·HISTORY

The name "Five Iron" truly encompasses the rich history of this property, which provides one of the most spectacular views in Central PA. "Iron" refers to two things; first to this building being the former clubhouse for Bethlehem Steel at the height of the steel industry, and second being the golf club we use with every round. "Five" refers to the year the golf course was opened, 1995. These created the "Five Iron Grille", and because we know the Five Iron is everyone's favorite club! This facility owes very much to its rich history and hard-working community; the name pays tribute to this special property.
