

# WORLD'S LARGEST GOLF OUTING

## THE MISSION

To be the largest single day, multi-course golf outing with the highest charitable contribution in the world.

## THE HISTORY

Over 62,000 golfers, 825 events in 34 states have raised more than \$4.1 million for charities! See our infographic for more.

## WLGO IN 2021

**August 2, 2021:** The 11th Annual World's Largest Golf Outing is a highly anticipated event after an unusual year in 2020. Our golfers will be back on the course to #GolfForGood and raise money for Fisher House Foundation. If a course already has a scheduled event that conflicts with August 2, both Sunday, August 1 and Tuesday, August 3 are available alternate dates.

## CHARITABLE BENEFICIARY

### FISHER HOUSE FOUNDATION

For more than 25 years, the Fisher House program has provided a "home away from home" for families of patients receiving medical care at major military and VA medical centers. These homes offer free, temporary lodging to military and veterans' families, allowing them to be close to their loved one during a medical crisis and focus on what's important—the healing process. There are 82 Fisher Houses\* located in the US, Germany and United Kingdom. Each \$10 donation (made by players) fee made upon registering for our event, covers the cost to house a family for one night at a Fisher House facility.
